

Atlanta PTG Chapter 301
Skills and Thrills Seminar
October 27-28, 2017
MUST MINISTRIES Community Room
1407 Cobb Pkwy N
Marietta GA 30062

Practical hands-on regulating instruction with Vertical and Grand Action Models. **Technical exam preparation** including stringing, keybushing, and hammershank replacement. AND for **EVERYONE**, the ever-evolving **Competency/ Proficiency Playground**. Hands-on skills training designed for technicians of every level to introduce and practice essential repair concepts. In addition, a limited number of 30-minute individual **Tuning Tutoring** sessions focused on setting an Aural Temperament will be offered for an additional fee. A box supper on Friday and light Saturday buffet lunch are included with your registration. A first-class cadre of instructors awaits you to provide the thrill of a lifetime as you explore, experience, practice, prepare, and test your skills - regardless of your years in the profession. **This is a Seminar for everyone.** Instructors for the event: RPTs: **Roger Aycock, Hannah Beckett, Bill Davis, Gabe Granitz, Sheffey Gregory, John Parham, and Ed Sutton.**

Individual 30-minute tutoring sessions will focus on setting an aural temperament. Tutoring sessions will be scheduled on a first received paid registration basis. Registrants must provide their own tools. The Tutoring fee must be included with the seminar registration. A tutoring wait list of paid registrants will be available. Early registration recommended. Late cancellation of a confirmed tutoring session may incur a minimal fee. Unconfirmed registrants will receive a full refund of the Tuning Tutoring fee. Refunds will be available on the day of the seminar.

** A Q&A notebook containing customized resources **may be purchased** by any registrant who answers the following:

1. I have tuned about this many pianos (____) in the past (days/months/years).
2. One thing I wish I knew more about is
3. One thing I have the most difficulty with is
4. One thing I want to be able to do is

Note: To insure availability, registrations requesting Resource and Q&A Notebooks must be received by Oct 16.
